ABSTRAK

*Penelitian ini bertujuan untuk menganalisis psikologi karakter utama dalam novel *Gone Girl* yang ditulis oleh Gillian Flynn yang bernama Amy. Dalam melakukan penelitian ini, peneliti menggunakan teori Sigmund Freud dengan pendekatan psikologis. Dalam teorinya, Freud memperkenalkan struktur kepribadian manusia yang terdiri dari tiga elemen yaitu id, ego, superego. Dalam kepribadian seseorang, tiga struktur tersebut akan berkecamuk menonjolkan dominasinya dan melahirkan sebuah tindakan. Penelitian ini membatasi diri pada pengungkapan dominasi id dan dampak dominasi tersebut pada diri karakter utama. Dalam menganalisis penelitian ini, peneliti menggunakan metode deskriptif kualitatif. Hasil dari penelitian ini menunjukkan bahwa id dominan pada kepribadian Amy ditunjukkan melalui sikap sikap diantaranya melakukan pembunuhan tanpa rasa bersalah untuk mencapai tujuannya. Terdapat kepuasan dalam dirinya ketika telah membuat orang tuanya khawatir terhadap dirinya dan tindakan Amy yang berbohong kepada media. Dampak dari kepribadian yang mengedepankan struktur id diantaranya: seseorang menjadi pembunuh, pembohong bahkan juga mencuri.*

Kata kunci: Psikologis dalam Sastra, Gangguan Kepribadian, Dominasi Id.

ABSTRACT

This study aimed to analyze the psychological conflict of the main character in the novel *Gone Girl* by Gillian Flynn. The main character of this novel is Amy. In conducting this research, the researchers used Sigmund Freud's theory. In his theory, Freud introduced the structure of the human personality into three, namely the id, ego, and superego. In a person's personality, these three structures will rage to highlight their dominance and give birth to an action. This study limits itself to the disclosure of the dominance of the id and the impact of this dominance on the main character. In analyzing this research, the researcher used a qualitative descriptive method. The results of this study indicate that the dominant id in Amy's personality is shown through attitudes including committing murder without guilt to achieve her goals. There is satisfaction in him having made his parents worry about him and Amy's act of lying to the media. The impact of personality that puts forward the structure of the id include: someone becomes a murderer, a liar and even steals.

Keyword: Psychological in Literature, Personality Disorder, Id Dominant.
