

## **CHAPTER V**

### **CONCLUSION AND SUGGESTION**

#### **5.1 Conclusion**

After conducting the data analysis of the “Lady of Scandal” novel, the researcher concluded the factors woman against patriarchy and the feminist movement woman against patriarchy and women existence were represented by the main character, Victoria Aston, in the novel “Lady of Scandal” by Tina Gabrielle.

1. In the novel "Lady of Scandal", Victoria got some problems that caused to force by her to be have submissive, matchmaking, mala-fide and domesticity. Despite her independence as a woman that has intelligence as a qualified anonym trader. In this novel, Victoria had the oppression of men who were hampering her freedom as a woman to exist. The truth in this novel was the patriarchal constructions by society had contained in this story believes the values and norms that uphold men as family heads. This was happened to Victoria life was forced by her father to make her daughter as an object for men with a specific purpose.
2. Victoria Aston in the novel "Lady of Scandal" has also effort to oppose all forms of oppression in the patriarchal culture that oppressed her freedom as an independent woman. The rejection attempt made by Victoria to breaks down the patriarchal constructions by realized that she was a creature who

has the intellectual as a woman who was able to solve the problems and challenges in the profession as a London stock trader, as being herself who was aware and knows how her able to place herself correctly, and freedom to actualize herself where she does not need to worry about the biological limitations that distinguish between men and women. From this proofed, it can be concluded that Victoria Aston was able to opposed the patriarchal construction that formed in the family and society at that time to get her existence as a human being valued as a high.

## **5.2 Suggestion**

After conducting the conclusion, the researcher realizes that this research was far from being perfect. The researcher would like to present some suggestion to the next student who will conduct the feminist analysis.

1. The researcher hopes that the next researcher will explore more deeply the literary approaches that can be applied to the novel "Lady of Scandal" by Tina Gabrielle. Furthermore, other researcher can also use the same theory of women existence by Simone Beauvoir with different object of the next researchers can also use the same novel "Lady of Scandal" with different approach to get new findings in the novel Lady of Scandal.
2. The researcher also hopes in this research can help student in learning find the factors of woman against patriarchy and find the way how the women able against to breaks down the patriarchal constructions with her consciousness to get the existence as human that proofed woman can get

same position and equality with the men based on her intellectual, to be herself and to get the freedom to actualize the self in “Lady of Scandal” novel, especially for students of the English language and literature department of Putera Batam University.
